Caremed Alrick.

M9080IMP
Premium Pressure Care Mattress

The Alrick Premium Pressure Care Mattress is renowned for the fact that it reduces cleaning time which increases cover longevity. The Covers can be cleaned in-situ for easy care or laundered. It has been clinically tested, and the finest quality foams are used to provide excellent pressure distribution and improve patient comfort. It also aids movement on profiling bed frames and reduces shear and friction for ease of manual handling.
