Typoflora

DIGITAL TEXTILE & WALL COVERING PRINT COLLECTIONS

Typoflora is the newest edition to the Materialised range, and offers stunning hand drawn florals and botanicals with water colour elements.

Typoflora's head designer/illustrator Shannon Cheung is based in Sydney Australia. Combining a love for beautiful flowers and illustrative design, Shannon creates delicately hand illustrated designs with flowers in full bloom.

Drawing on her background in print design, she created Typoflora to showcase her sophisticated & bespoke designs for those who share a love of botanicals.

Shannon's exquisite line detail and use of colour combine to create modern whimsical textile and wall covering designs.

From wall murals to upholstery - Typoflora prints easily translate onto multiple base substrates, making them an easy choice for that special project.
