Comfort for Every Body

Wentworth Care Furniture is a company genuinely passionate about providing the Aged Care industry with furniture and products which offer:

- Dignity and functionality for residents
- Ease of use for site staff
- Value for money for Service Providers and shareholders

Whether your Project is a requirement for a few new beds, replacing dining furniture, or a full fit out, we can offer products to suit your design style and your budget.

We believe that all relationships between ourselves and our Customers and our Suppliers should be viewed as 'Partnerships', where we all work towards a common goal, working together on our strengths and forming meaningful professional relationships.

We have immense experience in large and small projects in all States and have excellent relationships with contractors – who are experts in their field of Delivery and Installation.

We surround ourselves with the best people in their fields throughout the process, to ensure superior service and seamless delivery to our clients.

To organise trial furniture or a visit to our showroom, please call us on 03 9408 9710

Dining Chair Tips:

- Open back – Consider a chair with an open back, so that food won't get stuck in it.
- Vinyl seats – choose an Aged Care fabric back and choose a Vinyl seat in a complimentary colour. These are much easier for cleaning staff to wipe clean.
- Lighter colours – Light colour timbers wear better than dark stains, if they incur knocks.
