The team at Wentworth Care Furniture has been proudly supplying aged care facilities across Australia for over 20 years.

Our chairs are thoughtfully designed to meet the needs of residents, featuring higher seat heights, supportive armrests, and ergonomic comfort. Each piece is built with a focus on durability, functionality, and long-term performance in demanding care environments.

## Information about ordering.

- Most furniture featured in this catalogue is proudly Australian made and manufactured to order. We are committed to supporting local suppliers and craftsmanship wherever possible.
- Customisation is available across a wide range of products, allowing you to select from an extensive choice of stains and fabrics to suit your environment.
- Lead times typically range from 4 to 8 weeks, depending on the product. If you have specific project timelines, please contact our team to discuss your requirements.
- We offer a comprehensive delivery service across Australia, including installation and placement of furniture within your facility.
- Design modifications can be accommodated to meet your specific needs, ensuring each piece is fit for purpose.
- Where possible, we provide onsite trials, enabling both staff and residents to participate in the selection process with confidence.
- Our team can also assist with fabric and stain selection, and provide digital mood boards to support your design decisions.
