P/Kaufmann

DIGITAL TEXTILE & WALL COVERING
PRINT COLLECTIONS

From the Design Studio of P/Kaufmann in New York City,
Materialised print under license a curated collection for both
commercial textiles and wall coverings on demand.

Taking age old textile art, and combining it with today's materials and
technologies, we are able to achieve a luminosity of colour with digital
printing that was previously impossible.

Delivered in energetic gestures, blurred edges and sinuous brush
strokes, each of these revolutionary designs are artworks in themselves.

These designs can be printed on demand onto any of our base cloths,
print compatible furnishing textiles or commercial wall vinyls with low
minimum order quantity.
